First Aid Response Refresher

Why First Aid Response:

Since the 1st June 2018, the Health and Safety Authority (HSA) only recognises the Pre-Hospital Emergency Care Council First Aid Response training standard as meeting the needs of occupational first aid in workplace. Our First Aid Response Refresher is ran in affiliation with a Recognised Institution and is run to these HSA guidelines.

First Aid Response Refresher Course Summary:

This First Aid Response (Refresher) course is designed to provide training to staff who intend to fulfil a position of First Aider within the workplace. Participants will develop the necessary skills to deal with accidents and emergencies at work and give effective life support to casualties until professional help arrives.
